MEDIA GUIDE CREDITS

The 2010 Kansas State Track & Field Media Guide was designed and writen by Assistant Sports Information Director David Wiechmann. Cover design is by Graphic Designer Ron Cook with assistance from Mr. Wiechmann on conceptual design. A special thanks goes out to the Sports Information staff for editorial assistance and the track & field coaching staff for statistical compilation.

Mugshots and action photographs are by Scott Weaver of Scott Weaver Photography. Sports Information staff members also assisted in some photography for the guide.

The guide was printed by Mainline Printing of Topeka, Kan., and coordinated through Mainline sales representative Phil Roberts.

SPORTS INFORMATION

SPORTS INFORMATION

The Kansas State University Sports Information Office welcomes your interest in track and field and will make every effort to make your coverage of the Wildcats an enjoyable experience. The Sports Information Office maintains information on all current student-athletes, as well as historical information on previous student-athletes and the program in general. For information, interviews, photo shoots and/or file photos, please call, stop by our office, or fax a request.

The Kansas State Sports Information Office is located in Suite 37 of Bramlage Coliseum. Office hours are 8 a.m. to 5 p.m. weekdays.

AHEARN FIELD HOUSE

Ahearn Field House, the home of Wildcat track and field, is located on the campus of Kansas State University. Media members should use the east entrance of the Field House, where a pass list will be located for all home meets. Media seating will be available in the center-court area of the balcony at the south end of the Field House.

MEDIA CREDENTIALS

All requests for working press, photo and broadcast credentials to K-State home meets should be submitted on official letterhead, either by mail or FAX, to:

Kansas State Sports Information
1800 College Avenue
Bramlage Coliseum, Suite 37
Manhattan, KS 66502

Requests should be received no later than two days prior to a meet. Season media credentials will be mailed prior to the start of the regular season, while individual meet credentials will be handled via a pass-list at the entrance to Ahearn Field House.

GENERAL INTERVIEW POLICIES

Interviews with Kansas State athletes and coaches must be arranged through the sports information office. **Please contact the Sports Information Director for track and field.**

Home phone numbers for student-athletes will **not** be given to the media under **any** circumstances, although players will grant phone interviews by other means.

PHOTOGRAPHY

Photography credentials are issued to daily newspapers, wire services and special periodical publications. No flash photography is permitted and strobe use must be approved in advance. Photographers are required to stay behind the marked areas behind the playing area.

PRACTICES

The Kansas State track and field normally practices from 3-5 p.m. at Ahearn Field House. The practices are open but check in advance as to the team's availability because of conditioning sessions and required off days.

TRACK & FIELD ON THE INTERNET

Kansas State track and field information, along with facts and figures on each of the Wildcats' 16 varsity intercollegiate sports, can be found on the World Wide Web by accessing www.k-statesports.com. Stats, facts, figures, live broadcasts of sporting events – it's all there at k-statesports.com. The official K-State athletics web site is maintained by XOS Technologies Inc.

NCAA CHAMPIONS

Scott Sellers
Three-Time NCAA High Jump Champion

Kansas State has established itself as an elite program at the national level thanks to the successes of its athletes at the NCAA Championships. K-State has 30 NCAA Championships in its history with six of those coming this decade.

In 2009, the men's team finished 13th at the NCAA Outdoor Championship with 16 points. It was the highest finish for the men's program since finishing 10th in 1998 and the most points scored since that year as well.

During coach Cliff Rovelto's time leading the program, the men and women have combined to win nine individual NCAA crowns. Five of those titles came in the high jump as Rovelto has become one of the nation's top coaches for the event. Two NCAA titles were won by Austra Skyjute in the women's heptathlon, as Rovelto has seen great success by his athletes in combined events as well.

Before emerging as a top high jumping and combined events program, K-State was dominant in the distance medley relay and mile run in the1960's and 70's. The Wildcat men claimed the indoor DMR title in 1967 and 1975. In 1969 the men won the 4X800 relay, and the women's 4X800 relay claimed the 1976 outdoor title.

After showing strength in the mile in the 60's and 70's with three titles, Christian Smith showed K-State is still competing every year in the distance events winning the 2006 indoor mile.

Kansas State has a long standing tradition of training athletes to go on and compete for the highest honor in sports -- a gold medal at the Olympics.

Throughout its history 19 Wildcats have gone on to represent their homeland at the Olympic Games. That tradition spans 13 Olympic Games since 1920 when Ray Watson finished seventh in the steeplechase in Antwerp, Belgium. Since then, former Wildcats have won a total of seven medals in competition on the world's biggest stage.

Thane Baker is K-State's most decorated Olympian as he won the silver medal in the 200 meters in the 1952 Olympics in Finland. He followed that with three mdeals four years later in Melbourne, Australia. Baker won silver in the 100 meters and brozne in the 200 meters and ran a leg of the 4X100 relay team that brought gold back to the United States.

Olympic experience can be seen even on K-State's coaching staff with assistant coaches Steve Fritz and Tom Pappas representing USA in the decathlon a total of four times.

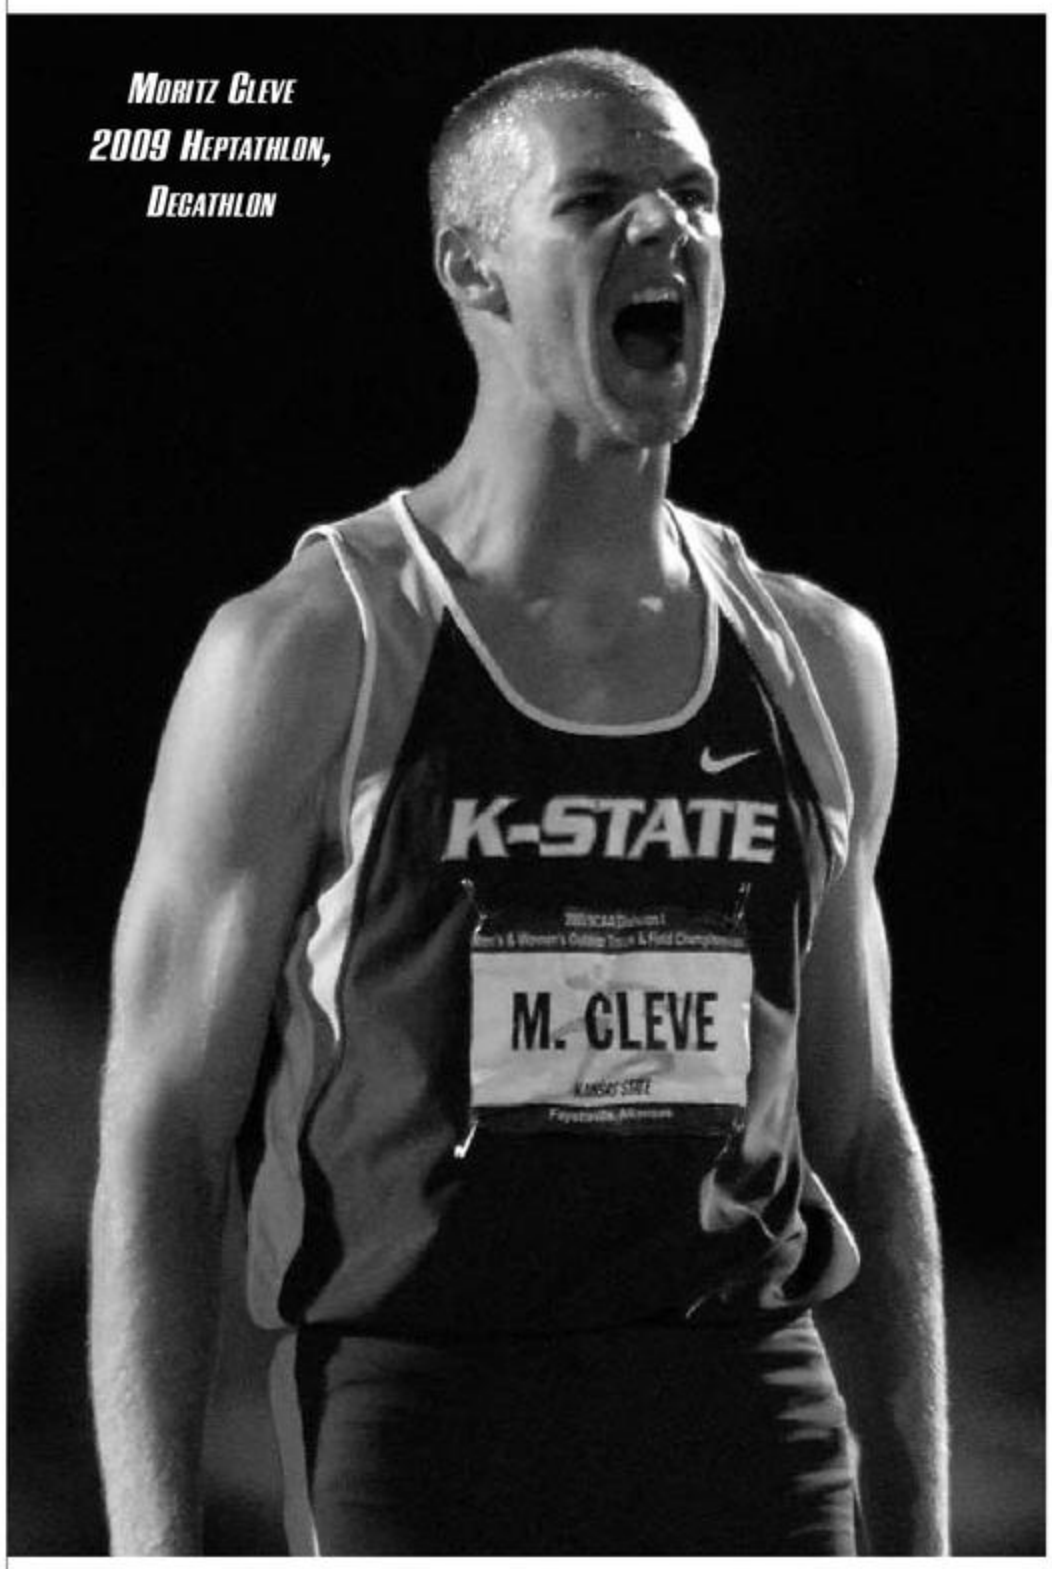
ALL-AMERICANS



Moritz Cleve
2009 Heptathlon,
Decathlon

Kansas State is a program with a rich tradition of developing elite student-athletes. That is shown at the NCAA Championships with Wildcats consistenty earning All-America honors. You have to go back to th eyear 2000 to find a year when the men's team did not have an indoor All-American and 1980 in outdoor. The women have only missed out on All-America honors twice in the history of the program both coming indoors.

Under the leadership of Coach Cliff Rovelto, the Wildcats have garnered 156 All-America honors, including 40 in the last five years for an average of eight per year.

In 2009, K-State saw Scot Sellers become the first eight-time All-American in one event as he closed his career winning both indoor and outdoor NCAA titles in the high jump. Last season Moritz Cleve was a two-time All-American standing on the podium during indoors in the hepathlon and outdoors in the decathlon. Jason Collett closed his career as an All-American in the first NCAA Championship meet he qualified for in his career. Loren Groves also finished as an All-American in the women's hammer throw for her fourth career certificate.

With Rovelto at the helm, K-State has proven to be a place where the best-of-the-best compete to raise the bar in the track and field world. The Wildcats continue to produce some of the nation's top collegiate athletes with the performances on the biggest stage to prove it.

BIG 12 CHAMPIONSHIPS

Kansas State made its presence known in the Big 12 Conference when the women's team won back-to-back outdoor championships in 2001 and 2002. Since then, the men's and women's teams have continued to produce teams that garnish individual titles and compete for team championships.

The men's team has never gone a season without winning at least one individual Big 12 title in outdoor and only in the league's first year did the men go without an indoor conference champion. The women on the other side have won at least one individual event every year at the Big 12 Indoor Championship and missed out on outdoors just three times in the league's 13-year history

The Wildcats have become the dominant team in the Big 12 when it comes to women's weight and hammer throw, high jump and the combined events are also K-State's specialty among conference foes. K-State has won a total of 12 women's weight and hammer throw titles at the Big 12 Championships and have had two women win three consecutive weight throw crowns. A total of 10 high jump championships have gone to the Purple and White, and five combined event titles are claimed by K-State as well.

In 2009, the men's team finished sixth for their highest finish at the Big 12 Outdoor Championship in five years and narrowly missed finishing in the top four at the conference meet.

The women's team joins the ranks of Big 12 powers Texas, Texas A&M and Nebraska as the only teams to win outdoor conference titles. At the outdoor conference championship, the women's team boasts an average finish of fourth. At the indoor championship, the women finished fourth or better each of the first eight years in the Big 12.

K-State also holds seven Big 12 Champinoship meet records to go with Cliff Rovelto's two Women's Coach of the Year awards.

TRACK & FIELD FACILITIES - AHEARN FIELD HOUSE

The Wildcats utilize historic Ahearn Field House during the indoor track season. The track, named for legendary coach Ward Haylett, has hosted three conference championships including the 1999 Big 12 Indoor Championships. In a typical year, K-State hosts five indoor events including the Carol Robinson Pentathlon in December.

Ahearn Field House was the product of a 10-year drive by several people, most notably athletic director Mike Ahearn and head men's basketball coach Jack Gardner. The $2 million-dollar structure opened on Dec. 9, 1950, when the Wildcats defeated Utah State, 66-56. Today, many of the K-State varsity athletic offices, including the track and field offices, are housed in the complex.

The venue is also one of America's showplace indoor facilities. It houses the natatorium, indoor track and the K-State volleyball team. The Ward Haylett Track in Ahearn makes it one of the top indoor facilities in the Midwest. It has also been a recent home of the National Junior College Athletic Association Championships, including the 2004 and 2006 meets.

In the summer of 2008, Ahearn Field House received $800,000 in improvements including lighting, track resurfacing and sports medicine upgrades keeping its place among the top indoor facilities.

TRACK & FIELD FACILITIES - R.V. CHRISTIAN TRACK COMPLEX

The R.V. Christian Track Complex was recently updated and is regarded as one of the best training facilities in the Midwest for both track and field. The new $1.4 million complex includes an eight-lane Rekortan surface and a 110-meter incline/decline sprint lane. The newest addition to the complex is the men's and women's locker room and team room in the northeast corner of the stadium.

The 3,000 seats on the west side of the facilitiy is the only feature that remains from the construction of the original complex in 1973. A substantial contribution from the estate of Dr. R.V. Christian, a 1911 graduate of the College of Veterinary Medicine, made the first facility possible.

R.V. Christian Track Complex was put to the test in 2005, as it was the site of the Big 12 Outdoor Track & Field Championships. It was the first Big 12 Conference meet in Manhattan since 1999 and first outdoor conference championship since the Big Eight Championships in 1985. Over the course of the three-day meet, 14 facility records were broken. The track also hosted the Nike Combined Events Challenge, now named the Thorpe Cup, in August of 2006 and 2008.

K-STATE FACILITIES

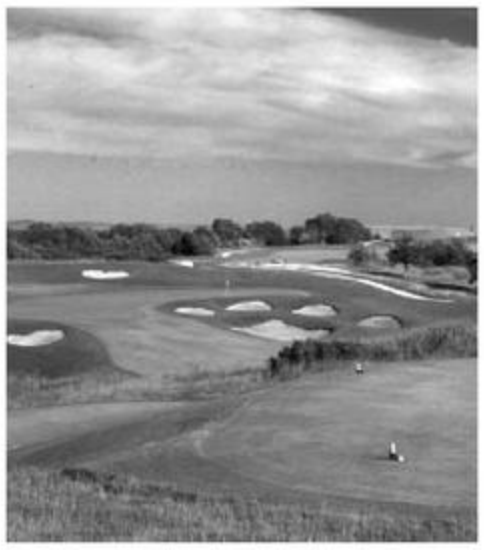
Fox Creek Stables

Women's Equestrian

Fox Creek Stables is located west of Manhattan in the small town of Meads. This facility serves as a practice arena for the Kansas State women's ranked equestrian program and the barn also hosts Wildcats' home shows.

Colbert Hills Golf Course

Men's and Women's Golf



Colbert Hills opened officially in May 2000 and since then has played host to the 2003 NCAA Men's Central Regional and 2002 Women's Big 12 Tournament. The idea of Colbert Hills goes back to 1994 when Jim Colbert, an alumnus of Kansas State, got involved with a project to help the schol build a university-run course. Construction on the clubhouse in near completion which will add to the already impressive facility along with the driving range and indoor practice tees for the men's and women's golf teams. Colbert Hills is considered one of the Top 10 university courses by *Golf World Magazine*.

Bill Snyder Family Stadium

Football

Bill Snyder Family Stadium has been the home of K-State's football team since 1989. Renamed in honor of legendary head football coach Bill Snyder by a proclamation of the Kansas Board of Regents on Nov. 16, 2005, Bill Snyder Family Stadium sits on the north end of campus. Originally named KSU Stadium, the facility was built at a cost of $1.6 million and financed from student fees, athletics gate receipts and contributions. It has been home to some of the most exciting games in Big 12 Conference history.

Breidenthal Boathouse

Women's Rowing

The $1.1 million Breidenthal Boathouse was recently added to the program for K-State's women's rowing team. The facility has space for over 20 eights and fours, as well as additional space for several smaller boats.

Kansas State is home to some of the top facilities in the Big 12 Conference and the nation. From Bill Snyder Family Stadium to Bramlage Coliseum to Ahearn Field House to Toiton Stadium, K-State student-athletes compete in front of their passionate Wildcat fans for all their home events.

K-STATE FACILITIES

BRAMLAGE COLISEUM

MEN'S AND WOMEN'S BASKETBALL

After 20 seasons of hosting Wildcat basketball, the Fred Bramlage Coliseum has carved its own niche in Kansas State's colorful history of men's and women's basketball. In keeping with the tradition established by Nichols Gymnasium (1946-50) and Ahearn Field House (1950-1988), Bramlage Coliseum (1988-present) has given Kansas State a deafening, winning environment.

AHEARN FIELD HOUSE

WOMEN'S VOLLEYBALL

In Ahearn Field House, Wildcat volleyball fans are treated to one of the most attractive volleyball facilites in the Midwest. The Field House can seat as many as 5,000 rabid Wildcat fans for volleyball, with 1,500 courtside bleacher seats that provide an intimate view of the action. K-State regularly ranks among the Top 25 in attendance nationally for voleyball. Indoor track meets are also held within the confines of Ahearn Field House, making it one of the most versatile buildings in the Big 12 Conference.

TOINTON STADIUM

BASEBALL

Home to Kansas State baseball, Frank Myers Field at Tointon Family Stadium has been in operation since 1961. The 46-year-old stadium received a $3.1 million improvement and had a rededication ceremony in 2002. With the Wildcats receiving their first-ever Top 10 ranking during the 2009 season, Tointon Stadium saw large crowds coming to cheer their team onto victory like never before.

WAMEGO TENNIS CENTER

WOMEN'S TENNIS

Wildcat tennis plays all of its home tennis matches at the Wamego Tennis Center, which is located 15 miles outside of Manhattan in the town Wamego. The facility features six lighted courts.

K-STATE CAMPUS

KANSAS STATE UNIVERSITY

It's a great time to be a K-Stater!

In 2009, K-State welcomes a new president and a new athletic director, who will build on the successes of the past and create a bright new future. Kirk Schulz accepted the K-State presidency because he is impressed with all of the outstanding programs and successes of our faculty, staff and students and with the passion K-Staters have for their university. K-Staters connect with our new president via his blog, Twitter and Facebook. Check out his Web site at www.K-State.edu/president.

HISTORY AND LOCATION

Founded on Feb. 16, 1863, Kansas State University is the oldest public institution of higher education in Kansas and one of the nation's first land-grant universities.

Throughout its history, K-State's mission has been rooted in the principles set forth in the Morrill Act - to provide teaching, research and service to the citizens of Kansas, the nation and the world.

The university's 644-acre wooded main campus with historical limestone buildings is located in Manhattan.

K-State also has a campus in Salina, and another coming soon in Olathe, along with numerous extension fields, offices and other facilities in Kansas and Nebraska. The Salina campus offers bachelor's and associate degrees in aviation and engineering technologies. Air service in and out of Manhattan Regional Airport connects the city with major airports all over the Midwest and South. Located five miles north of campus is Tuttle Creek Reservoir, a favorite outlet of students for boating, water skiing, swimming and fishing.

ACADEMIC EXCELLENCE

K-State is the only research university in the United States to have three national CASE/Carnegie professors of the year. All three are active teachers: Michael Wesch, 2008 national winner; Chris Sorensen, 2007 national winner; and Dean Zollman, 1996 national winner. Look for "kstate" on YouTube to see lectures by them and other great faculty.

More than 250 majors and programs are offered in the Colleges of Arts and Sciences, Engineering, Business Administration, Agriculture, Education, Architecture, Planning and Design, Human Ecology, Technology and Aviation and Veterinary Medicine. The Graduate School offers 67 master's degrees, 39 doctoral degrees, five educational doctorate programs and 33 graduate certificates in multiple disciplines across campus. More than $185 million is available in student financial assistance, including $11 million in scholarships. Seven out of 10 students receive financial assistance.

Even with 23,000 students, K-State is committed to individualized education whenever possible. For example, freshman English classes have no more than 22 students, introductory chemistry labs average 15 students, introductory art classes average 19 students and speech classes are limited to 23 students. Seventy percent of classes have 30 students or less and the average class size for all undergraduate classes is 23 students. Ninety percent of classes have less than 49 students.

K-STATE CAMPUS

STUDENT ACHIEVEMENT

Academic achievement of the institution is drawing national acclaim as well. K-State students have won more Truman scholarships, more Goldwater scholarships and more Phi Kappa Phi Fellowships than any other public university in the nation. Over the past twenty-five years, Kansas State University has ranked No. 1 in the nation among public universities in Rhodes, Truman, Marshall, Goldwater and Udall Scholars. We've earned our reputation as the "Student Scholar Capital of America."

K-State students have an outstanding record of acceptance into professional schools. Over the past four years, 70-percent of our qualified pre-med applicants were accepted into medical schools; 100-percent of our pre-optometry and 82-percent of our pre-dentistry students were accepted into their respective professional schools. Over the past five years, 98-percent of students who participated in our pre-law program were accepted into law schools.

ACADEMIC RECOGNITION

K-State is one of just 63 public universities -- that's the top 4-percent -- identified by the Carnegie Foundation as having "very high research activity." K-State is a leader on the cutting edge of research discoveries. The university has received almost $250 million in research grants. And faculty scientists and graduate students aren't the only ones conducting research. K-State undergraduates have rich opportunities to work side-by-side with some of the nation's best authorities in their fields. Many students begin undergraduate research their freshman year.

QUALITY AND AFFORDABILITY

K-State was featured as one of America's best in the Princeton Review's "The Best 368 Colleges" (2008). K-State was also ranked in the top 25 of America's best "cutting-edge schools" in You Are Here: A Guide to Over 380 Colleges and Unlimited Paths to Your Future. K-State was the only school from the Big 12 Conference to make the cut (2008).

You can even earn while you learn by taking a campus job. Last year, student workers brought home more than $15 million helping run the university.

Graduates face a promising future when they walk away from K-State with a bachelor's degree in hand. According to a report by the university's Career and Employment Services, more than 90 percent of recent bachelor's degree graduates surveyed are employed or are continuing their education through graduate school or some other program. More than half of the graduates surveyed who went to work took jobs in Kansas.

MANHATTAN - THE LITTLE APPLE

Manhattan is nestled in the northern end of the beautiful Flint Hills. The city was founded in the first days of Kansas settlement and currently has a population of 50,000 in the city and 100,000 in the immediate region. It is a modern, progressive city that is home to Kansas State University, the Fort Riley Military Reservation and several successful corportate citizens. It is located in north central Kansas, on Interstate 70, one hundred miles west of Kansas City, and 50 miles west of the state capitol in Topeka.

It was on Valentine's Day in 1857 that Manhattan officially became a city in the Midwest. And it was only because the Kansas River had been low two years earlier that the city was located where it is now.

It all began in the spring of 1855 when the Cincinnati Company left Ohio on the steamboat Hartford. They were headed for central Kansas via the Ohio, Mississippi, Missouri, and Kansas Rivers. Their goal: to settle a town and name it Manhattan, thinking it might become a second Manhattan, New York.

On the way up the Kansas River, three men stopped, went ashore, and hired a wagon. They drove to what is now Junction City, where they intended to start the Manhattan of the Midwest. But the Hartford ran aground in the Kansas River south of the confluence of the Blue and Kansas Rivers. The Cincinnati Company and all of the small groups of settlers already in the area joined forces to form a town, which they agreed to call Manhattan.

The first post office was established in 1856, and the city became incorporated February 14, 1857. Manhattan has grown steadily since then. Although Manhattan, Kansas, may not be another New York City in size, residents of Manhattan of the Midwest think you'll savor the savvy of "The Little Apple."

"The Little Apple" is home to more than 40,000 people today. Manhattan is nestled in among the picturesque Flint Hills, so named for their numerous bands of limestone and flint. These bands of flinty gravel convinced many an early settler that the land was not suitable for cultivation. A few resourceful pioneers, however, chose to stay and build their farmsteads in the sheltered valleys where water was available even in times of drought and where their cattle could graze on the grassy uplands. The Flint Hills region still remains largely untouched by the plow and is the last large preserve of native tallgrass prairie in the U.S.

Today, Manhattan residents take pride in the local history. The community is especially proud of its nickname, "The Little Apple," symbolic of a polished, wholesome Midwestern Manhattan, founded by pioneers who foresaw great things for this part of the U.S.

A student-athlete's life involves more than academics and athletics. Like most college students, student-athletes need to relax and have a good time, and Manhattan is the place to do just that. Manhattan reflects the joys and opportunities of big-city living while retaining a friendly, open atmosphere. Manhattan has many appealing places to shop, eat and socialize. An award-winning shopping mall is located in the heart of the downtown region, and Aggieville – a district of shops and restaurants just beyond the southern border of the campus – continues to be particularly popular with students. There are several beautiful parks and walkways throughout the city, while picturesque Tuttle Creek Reservoir sits just five miles from campus for seasonal swimming, water skiing and boating. Additionally, the 13,500-seat Bramlage Coliseum have become a favorite stop for major concerts throughout the year.

KANSAS STATE TRACK & FIELD

SEASON OUTLOOK

RUNNING WILD

A 2010 TRACK AND FIELD SEASON OUTLOOK

The success of 2009 has Kansas State track and field coach Cliff Rovelto excited heading into the 2010 campaign as his Wildcats return a strong base of athletes and welcome in a group of newcomers capable of standing on the podium at the Big 12 Conference championship. Two All-Americans return on the men's team with one female Wildcat earning All-America honors running her final year in Purple. A total of five Wildcats who competed at the NCAA Championships are back.

The Wildcats find themselves in a position where the major contributors from a year ago are back and still young. The men's team has just two seniors in 2010 and the women have seven on the squad. With the men's team finishing 16th in the NCAA Outdoor Championship, Rovelto said he believes the Wildcats can establish themselves as one of the nation's top teams. As for the women, they stand poised to turn heads if the young Wildcats can perform like the men's team from a year ago.

"I think the men are going to be good if we can keep them healthy, "Rovelto said. "Looking at the women's team, we have a good group of athletes that are returning and people with ability to improve a lot so the foundation is there to be good a year from now. Mike Myer from last year is an example on the men's team. His numbers were not real good coming out of high school and he had a phenomenal year for us last year because he worked and constantly improved. I think the future looks really good. The future is now for the men and maybe a year away with the women."

With an eye toward the future and the present all at the same time, Rovelto said the main factor will be if his Wildcats can stay healthy for the duration of the season. If so, it could be two exciting Big 12 Championships.

"We've got to keep healthy. If we do, there are a lot of strong teams and I think it will be interesting. I'm anxious to see how other teams are competing early in the season," Rovelto said. "There are a lot of strong teams in the conference, but the areas they are strong in are areas we are strong in as well this year. If we can beat them head-to-head at the conference meet, I think we have a chance.

"The women this year will be similar to the men from a year ago," Rovelto continued. "We have some good individuals that will score high at the conference meet, but not enough bullets to do damage at the conference or national level. The significant contributors are underclassmen, so one year from now we hope to see the women be where the men are now."

Schedule

K-State opens with the annual Carol Robinson Winter Pentathlon followed by the KSU All-Comers in December before getting into the bulk of its schedule in mid-January. The Wildcats will kick that portion of the schedule off hosting the KSU Invitational (1/16).

After the home meet, the Wildcats will hit the road four weeks in a row at meets hosted by conference foes Nebraska and Iowa State. The Adidas Classic is set for January 23 in Lincoln followed by the Bill Bergan Invitational

at Iowa State on over three days to close the first month of competition. Then, it's back to Nebraska for the Sevigne Husker Invitational (2/5-6) and the Iowa State Classic (2/12-13). The same weekend as the Iowa State Classic, a group of Wildcats will head to the Tyson Invitational in Fayetteville, Ark., home of the NCAA Indoor Championship.

After those road trips, it's back to Ahearn Field House for the KSU Open on February 20 before heading back to Ames, Iowa, for the Big 12 Championship to close February. After a week off, the top Wildcats will head back to Arkansas for the NCAA Championship.

The Outdoor season opens in Tempe, Ariz., for the ASU Invitational on March 27 with another visit to Arizona the following week for the Jim Click Invitational in Tucson. The annual Kansas Relays will see the Wildcats journey into Lawrence for the three-day meet April 15-17 before travelling to Des Moines, Iowa, April 22-24 for the 101st Drake Relays – one of the biggest meets in the track and field world. K-State will host its Ward Haylett Invitational outdoor meet on May 1 before closing the regular season out at the Nebraska Open (5/8).

Missouri will host the Big 12 Outdoor Championship (5/14-16) in Columbia at the Audrey J. Walton Track. A new format is in place for the NCAA Regionals this year with just two meets instead of the traditional four. The Wildcats will head south to Austin, Texas, for the West Regional (5/28-29) before moving on to the NCAA Championship in Eugene, Ore. (6/9-12).

Sprints/Hurdles

After the stellar senior season Mike Myer had in 2009, the Wildcats look to keep running with a strong group of runners in the both the sprints and hurdles. Junior Jason Coniglio improved after one year within the K-State program and welcomes the addition of freshman Grant Loescher and junior Ben Love. The Wildcats also added Lithuanian Martynas Jurgilas in January to the stable of sprinters.

In addition to the sprinters, Rovelto has a trio of hurdlers with the ability to score points for the Wildcats. K-State welcomes junior college transfer Jeffrey Julmis to the squad. Julmis comes to Manhattan from Cloud County where he had success running the 110 meter hurdles in 13.75 seconds last year. That mark would rank second K-State history. Julmis will be joined by Hungarian Balazs Baji in the hurdles. Baji is a three-time Hungarian junior national champion and finished seventh in the 2008 World Junior Championship. Combined events specialist Mantas Silkauskas will run the hurdles during indoor season for the Wildcats after running NCAA provisional times in hurdles as a freshman.

Rovelto said he is excited about the potential his group of hurdlers have this year in comparing them to what has traditionally been the standards in the Big 12 Conference.

"Balazs Baji and Jeffrey Julmis are really good hurdlers. Julmis already has college experience at the junior college level and has run times that are good enough to get into the NCAA meet," Rovelto said. "Baji ran well this summer and has run under eight seconds indoors and there are not many years where that didn't score at the Big 12 meet. Mantas will add depth in the hurdles during indoor and he's run 7.91, so that gives us four good hurdlers with Moritz also is capable of running sub-8 seconds."

For the women, Denise Baker has improved steadily in the hurdles, and Texas product Samantha McKnight could make an impact in the sprints. Freshmen Cenarda Jackson and Lauren Garrott could run well in the hurdles

for K-State as well.

Mid-Distance/Distance

Both the men's and women's teams will see depth and quality in the mid-distance and distance events in 2010. On the men's side, Jack Sachse leads the pack after finishing sixth in the 800M at the Big 12 Outdoor Championship. He will be joined by sophomore Jacob Davies and sophomore transfer Armando Del Valle. Junior Sam James will be back after redshirting last season.

For the women, sophomore Boglarka Bozzay highlights a group of mid-distance runners. As a freshman she finished third in the 800M during indoors at the Big 12 meet and ninth in outdoor. Freshmen Laura Lee Baird and Sara Stoakes add more quality youth to the unit, and senior Emily Dittemore is back after a redshirt season. Freshman Martina Tresch will provide even more depth in the distance events after a strong cross country season, and the pair of senior Beverly Ramos and junior Sydney Messick provides strength in the longer events. Senior Megan-Anne Perrin also is expected to make an impact in the mid-distance and distance events along with Emilee Morris and Alyssa Bellinder.

Jumps

K-State has been one of the top high jump programs in the nation for some time under the guidance of Rovelto, and that should continue even with the departure of three-time NCAA champion Scott Sellers. Junior Michael Healey is back after missing the outdoor season last year and has posted NCAA provisional marks in years past.

Healey will be joined by the nation's top high school jumper in Erik Kynard, Jr. Kynard comes to K-State with a long list of accomplishments and big meet experience having competed in the USA Olympic Trials and twice finishing second at the USA Junior National Championship. Derek Jerde, another freshman will join the high jumping ranks as the only three-time state high jump champion in Minnesota history.

Cassie Styers returns for her senior season on the women's side and has consistently scored points at the Big 12 Championships throughout her career.

TiAra Walpool highlights the jumpers on the sand qualifying for the NCAA Championship last year in the triple jump. Walpool finished third at Big 12 indoors and is joined by a pair of long jumpers in Kim Haberman and Nina Kokot who can score in the big meets as well.

"In the jumps we do not have much depth, but the people we have could be significant," Rovelto said. "Kokot in the long jump is back and has qualified for NCAA's. Walpool has qualified in the triple jump. They both can score for us."

Pole vault could be an area the Wildcats see more points this year as well with Meriel Harwood leading the way for the women. A trio of men has potential for the men as well with David Taylor ready to go after redshirting the outdoor season last year and seeing Hungarian national record holder Deszo Szabo join the team in addition to Kansas high school state champion Isaac Mallory.

Throws

K-State's strength in the throwing events this year will be evident in its depth. After graduating three-time weight throw champion Loren Groves, the Wildcats have a trio of women capable of scoring at the Big 12 meet. Chelsie Bonds, Amanda Boor and Ali Pistora all look to build off their successes from 2009. Pistora finished eighth in the weight throw with Bonds right behind her during indoor. In outdoor, Boor finished seventh while Pistora stood third in the javelin and qualified for the NCAA Championship.

The men will carry a lot of depth as well with Eric Thomas and Cole Zenisek leading the way. Thomas finished sixth in the Big 12 discus and advanced to the NCAA Championship. Zenisek scored in the weight throw and was one of two Wildcats to place in the javelin at Big 12's. Cory Boulanger returns from that group in the javelin.

Joy Rolfe will work in the ring for the women in the shot put, and Jacquelyne Leffler will be ready for outdoor in the discus and shot.

Combined Events

With the success the Wildcats have had in the multi-events, it could be argued Rovelto has K-State into Multi U in addition to High Jump U. Rovelto has a total of 10 combined events conference champions on his resume and two NCAA titles in addition to 12 All-Americans.

In 2010, K-State could add more to that impressive list with a trio of men who accomplished something never done at the collegiate level. Moritz Cleve, Rok Derzanic and Mantas Silkauskas all posted NCAA automatic qualifying scores at the Big 12 Outdoor Championship in 2009. It was the first time a school has had three athletes post automatic marks in the decathlon at the same meet.

Cleve went on from there to finish third at the NCAA meet with Derzanic pulling out after two events with an injury. The trio is expected to be healthy for outdoor season and a possible repeat or even improvement on three automatic marks could be in the making.

Rovelto welcomes freshmen Isaac Mallory and Tomas Kirielius to the group. Mallory brings a good skill set and success in the pole vault with him, and Kirielius already has the Lithuanian junior national records in the decathlon and javelin on his list of accomplishments.

Stephanie Hejde has scored at Big 12 meets throughout her career and looks close her senior year strong. She will be joined by a group of freshmen Rovelto has said can develop the women's program to have quality depth as well in Klaudia Demeter, Cenarda Jackson and Lauren Garrott.

KANSAS STATE
COACHING & SUPPORT STAFF

CLIFF ROVELTO - 22nd Season - Kansas State Head Coach

Under the direction of Cliff Rovelto, the Kansas State track and field program has established itself as a force in America's heartland and regularly challenges some of the more established collegiate programs in the nation.

In 2009-10, Rovelto begins his 18th season as the head coach at Kansas State and his 22nd at the school overall.

The steady progression of the K-State program culminated in 2001 with Rovelto being honored by his peers as the women's outdoor National Coach of the Year by the U.S. Track Coaches Association.

During his tenure, he has led Kansas State to back-to-back Big 12 Conference women's outdoor team championships in 2001 and 2002, has earned consecutive Midwest Region Coach of the Year honors, giving him five such honors in his 17 seasons as the Wildcats' head coach. Prior to the start of the 2005 season, Rovelto earned the United States Women's Track and Field College Coaches Award for Service at the USA Track and Field Convention. Rovelto was nominated by his peers and selected by the officers of USA Track and Field.

K-State earned its best finish ever at the 2002 NCAA Outdoor Championships, placing fifth. Kansas State's pair of Big 12 Conference women's outdoor team championships was the second and third team titles won by any Wildcat athletic team since the inception of the Big 12 Conference in 1996. The other was a women's cross country team title in 1998.

In 1999-2000, the Kansas State women had one of the best combined seasons in all of collegiate track and cross country. The cross country team placed a school-best fifth at the NCAA Championship, while the indoor team was seventh nationally and the outdoor squad was 11th in the team standings at the NCAA Championships.

Since becoming the head coach in November of 1992, the men's and women's cross country, indoor and outdoor track and field programs have earned 156 All-American certificates and 116 individual conference championships. Over his 21 seasons at K-State, Rovelto has personally directed 44 individuals to 102 NCAA All-America certificates, as well as 49 individuals to 70 conference event championships.

22ND SEASON - KANSAS STATE HEAD COACH - CLIFF ROVELTO

The success Rovelto has cultivated at Kansas State has propelled him onto the international coaching stage with the United States Track and Field Association.

An internationally recognized authority in combined events who helped write and teaches the curriculum for the U.S. combined events coaching education program, Rovelto is a Level II combined event instructor, and is one of two coaches in the U.S. to coach multiple combined event athletes to over 8,000 points in the decathlon and 6,000 points in the heptathlon.

In 2005, Rovelto's international assignment was as an assistant for the Team USA at the 2005 World Track & Field Championships. He served as the women's jumps and combined events coach at the games in Helsinki, Finland. He most recently served as the men's jumps and decathlon coach in Osaka, Japan.

He has also served as head coach of the U.S. Decathlon Team in dual meets with Germany in 1997 and 2003. He also was named to the U.S. coaching staff for the 2002 World Cup and the 2003 World Outdoor Championships in Paris.

Under Rovelto's tutelage, combined-events athletes have earned 14 All-America certificates and won 13 conference titles. He has coached several internationally known multi-event athletes, including current Wildcat assistant coaches Steve Fritz, who was fourth in the decathlon at the 1996 Olympic Games in Atlanta, and Tom Pappas, the bronze medalist at the 2004 World Indoor. Rovelto also directed former Wildcat assistant Austra Skujyte, who claimed the 2001 and 2002 NCAA heptathlon championships and set a collegiate record in the pentathlon while at K-State.

Skujyte is a three-time Olympic representative (2000, 2004 and 2008) for her native Lithuania. Skujyte notched her highest finish in international competition with a silver medal performance in the heptathlon at the 2004 Athens Olympics. In the spring of 2005, Skujyte set the IAAF world record in the first female decathlon competition on North American soil with a point total of 8,366.

Rovelto has also coached some of the nation's top jumpers and helped establish K-State as one of the elite high jumping schools in the nation with five NCAA Champions in his tenure as head coach. While at Kansas State, he has coached 42 All-Americans and 24 conference champion high jumpers, while leading 19 All-Americans and 17 conference champs in the long and triple jump. In the pole vault, he has coached a two-time NCAA runner-up and a two-time NCAA third-place finisher.

He has been involved in the U.S. high jump development program for both junior and senior competitors and is a Level III jumps instructor.

A successful coach of sprint and hurdles athletes as well, Rovelto has directed nine individual All-America sprinters and hurdlers while at Kansas State, including 1995 NCAA 400-meter champion Nicole Green and two-time World Championship participant Jared MacLeod. In addition to combined events, sprints and hurdles, Rovelto has coached NCAA All-Americans in the shot put, javelin and discus.

A native of Ancon, Panama, Rovelto spent seven years coaching at his alma mater, the University of Kansas. He was a graduate assistant on the men's team from 1981 to 1983 before becoming a full-time women's assistant and cross country coach in 1983.

He became the interim head coach for women at Kansas in 1987. While with the Jayhawks, he coached eight All-Americans and seven Big Eight champions in five different events. His women's team broke 24 school records during his tenure. Rovelto began his full-time coaching career at McLouth (Kan.) High School in 1979. While there, he coached one high school All-American, six state champions and five state record-holders.

MICHAEL SMITH - 16th Season - Assistant Coach Middle Distance/Head Men's & Women's Cross Country

COACHING EXPERIENCE

2004-present	Cross Country Coach, Kansas State
1994-present	Assistant Coach, Kansas State
1992-93	Head Boys Track & Field Coach, Skyline (Calif.) HS
1991-93	Asst. Track & Cross Country Coach, Skyline (Calif.) HS
1990-91	Assistant Track & Field Coach, William Penn Charter (Pa.) HS

Michael Smith is entering his 16th year as a member of the coaching staff at K-State and fifth year at the helm of the men's and women's cross country teams. Since arriving in Manhattan in 1994, Smith has played an integral role in the success of the K-State cross country and track & field teams in the Big 12 Conference and at the NCAA Championships. During his tenure, the Wildcats have won three women's championships in the Big 12 Conference, earned their highest ever women's NCAA team finish in cross country (5th) and top 10 NCAA finishes in men's and women's track and field.

As the assistant cross country coach at K-State from 1994-2004, Smith was instrumental in the success enjoyed by the women's and men's cross country teams. During that time period the K-State women won the 1998 Big 12 title in Lincoln, captured three consecutive Midwest Regional titles (1998, 1999, 2000) and garnered NCAA finishes of 13th, 5th and 10th (1998-2000). The Big 12 women's victory in 1998 was the only Big 12 cross country team title not won by the University of Colorado until Texas Tech's win in 2008.

Smith took over the reins of the cross country programs in 2004 and guided Mathew Chesang to one of K-State's most outstanding individual cross country seasons in recent memory. Chesang finished thirrd at the Big 12 championships, second at the Midwest Regional Championships and capped off his senior season with an All-American performance at the NCAA championships. Chesang's 12th-place finish was the highest NCAA placing for a Wildcat male since Jerome Howe's 10th place finish in 1971, and the first Wildcat men's cross country All-American since 1992.

In 2009, Smith guided Beverly Ramos to one of the best women's individual seasons in recent memory as Ramos received All-America honors. Ramos tallied two wins and also placed sixth at the Pre-NCAA Invitational, Big 12 Championship and NCAA Midwest Regional. Her finish at 33rd at the NCAA Championship made her the school's ninth All-American in cross country. Ramos helped guide the teamto another sixth-place finish at the 2008 Big 12 Championship and ninth at the Midwest Regional.

Under Smith's leadership on the track, the Wildcat mid-distance/distance group has launched a steady advance into the top 10 all-time performances on the K-State honor rolls. In so doing, Smith's athletes have won 13 conference championships, set 20 school records, earned 13 All-American certificates and set four Big 12 meet records. The 2009 season was highlighted by Jason Collett's All-American performance in the 800M. During the 2006 season Christian Smith won the indoor NCAA mile title, set the collegiate record in the 1000M run (2:19.57) and captured his third consecutive Big 12 title in the 1000M run. During the outdoor campaign Smith won his first Big 12 outdoor title in the 800M run and earned his first NCAA outdoor All-American certificate. Smith's season continued into the summer where he finished fifth at the USATF Championships in the 1500M run and then went to Europe where he ran 1:44.86 for 800 meters and 3:38.10 for 1500 meters, erasing two Wildcat legends from the record books in Ken Swenson and Jerome Howe.

In addition to coaching the current group of K-State middle and long distance runners, Smith has tutored a number of Wildcats in their post-collegiate careers including 2005 K-State alumna Lysaira Roman Del Valle, the 2006 bronze medalist at the Ibero-American Championships in the 800M (2:03.76) and 2006 Central American Games bronze medalist at 1500M (4:21.84). Smith also coached 2003 alumnus Roberto Carvajal, the 2003 Mexican national champion in the 110-meter high hurdles (14.07) and 2004 Mexican national champion in the 400-meter intermediate hurdles (50.31) while he trained as a post-collegian at K-State.

The highlight of Smith's post-collegiate coaching career came in 2008 when Christian Smith qualified for the Beijing Olympic Games. Smith finished third in a dramatic diving photo-finish at the Olympic Trials to become K-State's newest Olympian.

In addition to his coaching duties, Smith currently serves as an instructor for the USATF Level II coaching education program in the endurance events and has been a clinician at numerous track and field and cross country clinics. Prior to arriving in Manhattan in 1994, Smith spent two years at Skyline High School in California and one season at the William Penn Charter High School in Philadelphia (Pa.).

A native of Ridgefield, Connecticut, Smith graduated from Bucknell University (1988) with a bachelor's degree in animal behavior. He went on to earn an M.A. in geography from the State University of New York at Albany (1989), and an M.S. degree in Kinesiology from Kansas State (1996). Smith is married to Jill Wise Smith. The couple has three children Sydney, Aidan, and Jackson.

STEVE FRITZ - 18TH SEASON - ASSISTANT COACH - THROWS

COACHING EXPERIENCE

1992-present — Assistant Coach, Kansas State

Steve Fritz is a coach who can give Kansas State student-athletes a first-hand look at the experience of competing in track and field at the international level. Fritz, who is in his 18th season on the Wildcat staff, finished fourth for the U.S. in the decathlon in the 1996 Atlanta Olympics. He scored a career-best 8,644 points. A member of the Kansas State Athletics Hall of Fame, Fritz was the U.S. national champion in the decathlon in 1997 and was fourth at the World Championships that same year. He also was a 10-time member of Team USA as an athlete.

As a coach, Fritz has directed 49 different student-athletes who have scored a combined 1,090 conference points, with 12 athletes winning conference titles a total of 25 times. On the national level, Fritz has had 20 NCAA qualifiers, nine USA National qualifiers, seven Junior National qualifiers, one World University Games qualifier and one World Junior qualifier. Seven athletes at K-State have set school records in eight separate events a total of 38 times under his coaching.

Fritz has had eight All-Americans earn a total of 23 All-American certificates and has had at least one athlete qualify for nationals every year he has been coaching Kansas State. Under Fritz's guidance, the Wildcat women won every Big 12 indoor weight throw title and outdoor hammer title from 1997 to 1999 and again from 2007 to 2009. In the javelin, Fritz helped lead K-State to a sweep of men's and women's Big Eight titles in 1993 and 1994. Wildcat women won javelin titles in 1996, 1997 and 2002, in addition to continued success in the weight throw from 2006-08.

Fritz competed for Kansas State from 1989 to 1990 and holds the Big Eight decathlon record with 7,924 points. He was a two-time NCAA All-American for the Wildcats in the decathlon, finishing sixth in 1989 (7,548 points) and fourth in 1990 (7,729 points).

He earned a bachelor's degree in business from K-State in 1993. While at Kansas State, Fritz also played basketball for two seasons. Fritz was a two-sport athlete in track and basketball at Hutchinson (Kan.) Community College. He won the decathlon at the 1988 National Junior College Athletic Association Nationals and hit the game-winning basket to give the Blue Dragons the 1988 NJCAA basketball title.

A native of Gypsum, Kan., Fritz is married to the former Suzie Wiemers. Suzie Fritz was named the head coach for volleyball at Kansas State in August 2001 and in 2003 led the Wildcats to their first Big 12 championship. The couple has two children: Thomas Jon (T.J.) and Jacob.

In addition to his coaching at K-State, Fritz has also served as an assistant coach for Team USA at the 2007 Thorpe Cup in Bernhausen, Germany and most recently represented the Red, White & Blue at the 2009 IAAF World Championships in Berlin, Germany.

ANDY EGGERTH - 4th Season - Assistant Coach - Mid-Distance/Cross Country

COACHING EXPERIENCE

2007-present	Assistant Coach, Kansas State
2004-2006	Assistant Coach, UAB
2002-2003	Track & Field Director, National Sport Center
2000-2002	Sprints/Hurdles Coach, Syracuse

Andy Eggerth is in his fourth season at Kansas State and has assisted with the training of the sprints and hurdles. This season he has made the move to working with the mid-distance and distance runners in addition to being an assistant coach with the cross country team.

Eggerth came to K-State after three seasons as an assistant track and field coach at UAB. After spending two years working with the sprinters and jumpers, Eggerth worked with the Blazer hurdlers and combined event athletes as well as recruiting, compliance and travel duties. In the 2005 season, he helped his athletes achieve nine school records and four freshman records. He coached one NCAA Indoor Championship provisional qualifier and six NCAA Regional Championship qualifiers during the 2005 outdoor season. Eggerth also guided his athletes to 42 indoor personal bests and 33 outdoor personal bests.

In Eggerth's first season with the Blazers, he helped the sprinters and jumpers to a breakout year. He coached four Southeast Region finalists and guided his athletes to four school records and three freshman records. Eggerth also helped his athletes achieve 21 personal bests during the 2004 indoor season and 25 personal bests during the outdoor season.

Additionally, Eggerth has worked with post-collegians that have competed in the Pan-American Games, European Championships, World Championships and the Olympic Games. He has guided athletes to several National Championship titles and national records.

Prior to arriving at UAB, Eggerth was the Track and Field Director for two years at the National Sports Center (NSC) in Blaine, Minn. At the NSC, he managed a track club of nearly 200 athletes. Beyond organizing meets, planning the budget, hiring assistant coaches and recruiting athletes, Eggerth also coached the sprinters and hurdlers at the NSC.

Before his appointment at the NSC, Eggerth completed his master's degree in exercise physiology at Syracuse University. There he also worked with the sprinters and hurdlers, as well as participating in post-collegiate events.

Eggerth is a 2000 graduate of Bemidji State (Minn.) University, earning a Bachelor of Science degree in physical education as well as a Bachelor of Arts degree in sport management. While at Bemidji, he broke 16 school records, one conference record, was an NCAA national qualifier in six events and was voted the Northern Sun Intercollegiate Conference Athlete of the Year in 2000. He was also an Academic All-American, in addition to receiving other academic honors.

Eggerth, who hails from Spring Lake Park, Minn., currently resides in Manhattan with his wife Agne, who serves as the strength and conditioning and speed training coach forthe K-State equestrian and golf teams. Eggerth holds a Level 2 certification from the USATF in combined events and throws and a Level 3 certification in jumps. He also has "Elite Coach" certification from the IAAF in sprints and hurdles.

TOM PAPPAS - 3RD SEASON - ASSISTANT COACH - COMBINED EVENTS, JUMPS, SPRINTS

COACHING EXPERIENCE

2007-Present	Assistant Coach, Kansas State
1999-2004	Volunteer Assistant Coach, Tennessee

Tom Pappas is in his third year with the Kansas State Wildcats as a full-time assistant coach. The former University of Tennessee decathlete brings a resume filled with success at the collegiate and professional ranks.

Pappas has represented the United States in three Olympic Games - a rarity in the decathlon. He will use his experience in the event to work closely with the jumps and combined events athletes at K-State.

Last year, the combined events athletes had a strong campaign as K-State became the first school to have three athletes post NCAA automatic qualifying marks in the decathlon at the same meet. Sophomores Moritz Cleve and Rok Derzanic and freshman Mantas Silkauskas all scored big at the Big 12 Championship to accomplish the feat. Cleve set a Big 12 Championship record with 8,004 points as well. He would go on to finish third at the NCAA Championship. Cleve also won the heptathlon at the Big 12 Indoor Championship and placed fifth at the NCAA's. In 2008, Derzanic earned All-America honors in the heptathlon finishing eighth with Cleve coming in 12th.

The native of Azalea, Ore., is a five-time USA national champion. A three-time Olympian (2000, 2004, 2008), Pappas won the Olympic Trials in 2000 with a then-personal best mark of 8,467 and earned a No. 2 ranking in the United States from Track and Field News. Pappas placed fifth at the 2000 Olympic Games in Sydney, Australia, with 8,425 points. In 2009, he posted the third highest score in the world, and Pappas has been ranked eight times among the world's Top 10 in the decathlon.

Pappas had his strongest year of competition in 2003 when he set a new career mark and scored over 8,700 on two occasions. He captured his second of four USA Outdoor titles with his all-time top mark of 8,784 points. Paired with a title at the 2003 World Outdoors (8,750), Pappas earned his first No. 1 ranking in the world by Track and Field News.

As a Tennessee Volunteer, Pappas took the decathlon crown at the 1999 NCAA Outdoor Championships, the same year that he held the NCAA record with 8,463 points set in Tempe, Ariz. His early successes include winning the USA Junior and Pan Am Junior combined titles in 1995.

Pappas is a 2000 graduate of Tennessee and brother to Paul and Billy Pappas, who both attended the University of Oregon and finished fourth and first, respectively, at the Pac-10 Championships during their decathlete careers. Pappas and his wife Kim have two daughters, Kinley and Kendall.

KYLE HIERHOLZER - 4th Season - Assistant Coach - Combined Events, Jumps, Sprints

COACHING EXPERIENCE

2007-present	Assistant Coach, Kansas State
2006	Assistant Coach, South Plains College
2003-05	Graduate Assistant, Texas State

Kyle Hierholzer is in his fourth year at Kansas State after joining the Kansas State coaching staff during the summer of 2006.

In Hierholzer's first season with the Wildcats he assisted head coach Cliff Rovelto with the jumps and combined events student-athletes, including helping then-sophomore Adam Fretwell to a national qualification in the 2007 NCAA Outdoor Championships.

Heirholzer began coaching the pole vaulters in 2008 and guided Nancy Harrington to increase her personal best mark by more than seven inches. Senior Bryce Bergman qualified for the NCAA Midwest Regional along with Harrington for the Wildcats. Last season, Moritz Cleve improved greatly in the pole vault helping contribute to his Big 12 Championship record score in the decathlon and in winning the Big 12 heptathlon crown during indoor.

Hierholzer came to Manhattan after one season at South Plains College in Levelland, Texas, as the assistant track and field/cross country coach. While at South Plains, Hierholzer coached all jumps and combined events. He coached a 2006 U.S. Junior champion in the men's long jump and 2006 World Junior finalist Aaron Smith in the long jump with a mark of 26-04 to finish fifth. He also coached NJCAA National Champions in the men's long jump and pole vault and women's triple jump. He also coached nine NJCAA All-Americans.

Prior to his stint at South Plains College, Hierholzer was a graduate assistant at Texas State University from 2003-2005 and earned a master's degree in political science with a minor in international business. While earning his advanced degree, Hierholzer assisted the Bobcats to four Southland Conference titles and supervised the vertical jumps and combined events. He coached four Southland Conference champions in the high jump and a school record holder in the men's indoor heptathlon. He also coached Caroline Wolf to NCAA All-American status with a high jump of 6-00.25 as she finished fifth at the NCAA Championship and set a Texas State school record.

During his time as a student-athlete for the Bobcats from 1998-2003, he earned bachelor's degrees in finance and marketing. On the track, Hierholzer competed in the decathlon and hurdles and helped the Bobcats to four straight Southland Conference titles. The native of Boone, Texas, also was selected as a team captain three times.

Hierholzer holds a Level 2 certification in jumps from the USATF and recently attented the Junior Elite Decathlon Camp at the U.S. Olympic Training Center in Chula Vista, Calif., to assist with coaching.

STAFF EXPERIENCE

2003-present	Director of Operations, Kansas State

COACHING EXPERIENCE

2001-2002	Volunteer Assistant Coach, Kansas State
1999	Assistant Coach, Tennessee-Chattanooga
1996-1999	Graduate Assistant Coach, Tennessee-Chattanooga

Karol Rovelto is in her eighth season with the Kansas State track & field program and her sixth as director of operations.

Rovelto (formerly Damon) came to Kansas State after a three-year stint as an assistant track & field and cross country coach at the University of Tennessee-Chattanooga.

In December of 1999, Rovelto left the Mocs program to concentrate full-time on preparations for the 2000 Sydney Olympics. She won the U.S. Olympic Trials with a leap of 6-04.00 before posting the top American finish in Sydney. Rovelto's personal best is 6-05.50.

As a collegian, Rovelto competed for the University of Colorado. While at CU, she was a four time All-American as well as a Big Eight Conference Champion.

Following her collegiate career, Rovelto was consistently ranked among the top 10 U.S. jumpers by Track & Field News, posting a number of top five finishes at both the USA Indoor and Outdoor Championships.

Rovelto received her bachelor's degree in kinesiology from Colorado in 1992 and a master's in education in 1998 from Tennessee-Chattanooga.

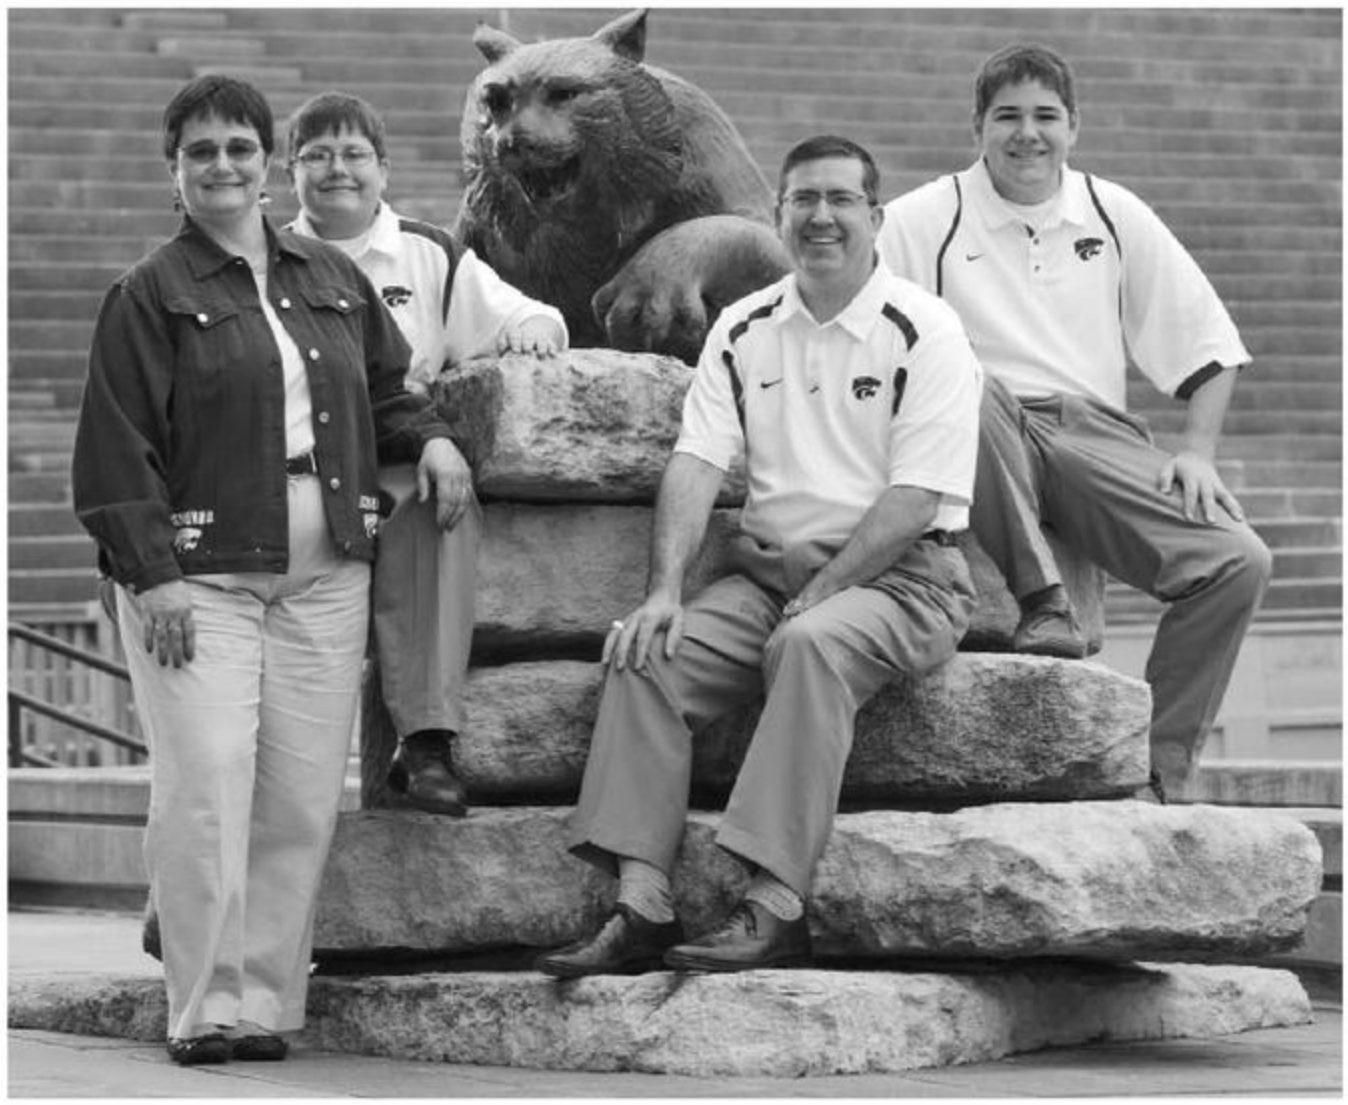
PRESIDENT DR. KIRK SCHULZ



In February 2009, the Kansas Board of Regents selected Kirk H. Schulz as the 13th president of Kansas State University.

Schulz is a Fellow of the American Association for the Advancement of Science. Most recently, he served as vice president for research and economic development at Mississippi State University.

Schulz began his career in 1991 as an assistant professor of chemical engineering at the University of North Dakota, Grand Forks. He moved in 1995 to Michigan Tech as an assistant professor of chemical engineering. He was promoted to associate professor in 1998 and was named chair of the department of chemical engineering at Michigan Tech.

In 2001, he moved to Mississippi State University to become director of the Dave C. Swalm School of Chemical Engineering and holder of the Earnest W. Deavenport Jr. endowed chair. In 2005, he was selected as dean of the James Worth Bagley College of Engineering and the inaugural holder of the Earnest W. and Mary Ann Deavenport Jr. endowed chair. In 2007, he was named interim vice president for research and economic development and was named to the permanent position later that year.

Schulz was born in Portsmouth, Va., in 1963 and grew up in Norfolk,Va., where he attended Norfolk Christian High School. He attended Old Dominion University for three years and transferred to Virginia Tech in 1984. He graduated with B.S. and Ph.D. degrees in chemical engineering in 1986 and 1991, respectively. He completed his doctoral work in metal oxide surface chemistry under the direction of Dr. David Cox.

He is a member of ABET, the recognized accreditor for college and university programs in applied science, computing, engineering and technology. He is also a member of its Engineering Accreditation Commission. Schulz is an active member of the American Institute of Chemical Engineers, and also the American Society for Engineering Education. In recognition of his work in chemical engineering, he was named a Fellow of the American Association for the Advancement of Science in 2007 and a Fellow of the American Society for Engineering Education in 2008.

Schulz is married to Noel Nunnally Schulz, a professor of electrical and computer engineering at K-State. They have two sons, Tim, who will be a freshman at Mississippi State University in fall 2009, and Andrew, who will be a freshman at Manhattan High School.

ATHLETIC DIRECTOR JOHN CURRIE

John Currie, who was introduced as Kansas State's 15th Director of Athletics on May 18, has emphasized the importance of accessibility and accountability early in his tenure as K-State sets its sights on achieving the vision of having a model intercollegiate athletics program.

A highlight of Currie's early initiatives was the implementation of the "K-State Pledge" in July which includes a series of financial accountability measures and core values that will serve as the foundation of K-State's vision. Among those values are five goals: a world-class student-athlete experience; value to the University, city and state; integrity and transparency in relation to ethics, finance and NCAA compliance; championship-level athletic performances; and the best fan experience in the Big 12.

In an effort to create the best fan experience possible, Currie's staff created new ticket initiatives for football that led to the largest home-opening crowd in Bill Snyder Family Stadium history on September 5, 2009 (50,750). In his first 60 days on the job, Currie also worked to establish relationships across campus, through steps such as personally visiting with K-State deans in their respective offices. He also serves as a member of President Kirk Schulz's cabinet and has made presentations and held question and answer sessions with many other campus organizations.

Currie also immediately implemented a communications plan in an effort to regain the trust of all Wildcat fans, which included in-person stops throughout the state, regular online letters and chats and K-State's first-ever FanForum conference call, which saw more than 3,000 fans participate.

Understanding the importance of coaching continuity in building successful programs, Currie moved quickly to sign 2009 Big 12 Baseball Coach of the Year Brad Hill and women's basketball head coach Deb Patterson to a contract extensions and also led the effort to complete the five-year contract for legendary returning football coach Bill Snyder.

Currie began his duties as Athletics Director on June 8 after 10 years at the University of Tennessee, most recently serving as Executive Associate Athletics Director for Athletic Director Mike Hamilton. Currie was responsible for the direct management of units that annually produced $84 million in revenue and gifts, including the department's fundraising, marketing, ticketing, media relations, public relations, internet and broadcasting offices. Currie also provided oversight for the men's basketball program and other department initiatives and helped direct numerous searches that led to the hiring of successful head coaches.

An integral member of the facility planning team for UT's $200 million master plan renovations for Neyland Stadium, Currie also directed a $36 million arena renovation and basketball practice facility construction project that was completed in the fall of 2007. He developed and implemented the revenue models to fund both projects without outside funding from the state or local government, tax dollars or University-derived support.

Currie's accomplishments at Tennessee included helping the University secure a $50 million commitment in 2006 for academic and athletic needs, a gift which represented the largest from an individual in Tennessee history. Units under his direction also negotiated an $84 million multi-media rights contract with then-Host Communications, and a $19.3 million all-sport contract with Adidas. Under his leadership, giving to Tennessee athletics more than doubled from $19.5 million in 2003 to $41.6 million in 2008.

Currie led the negotiation and implementation of new student season ticket sales for football in 2008, resulting in $900,000 of new department revenue in its first year. He also implemented new regular-season football sales strategies that helped Tennessee set a new single-game attendance record of 109,061 in 2004.

Tennessee's athletic facilities as a whole benefitted from Currie's efforts as the development office secured individual-naming recognition gifts that included $4 million for a new aquatic center, $2 million for a new softball stadium, $1.5 million for a new soccer stadium and $2 million for baseball renovations. Tennessee's track complex also was renovated, while ground was broken last summer for a new Greg Norman-designed intercollegiate golf practice complex and clubhouse.

Currie oversaw the development and execution of a comprehensive marketing plan in 2005 that led to attendance at SEC home basketball games improving 54 percent from the previous year, while student attendance increased by 197 percent.

Currie joined the Tennessee staff in 1997 as Executive Director of the Volunteer Athletic Scholarship Fund (VASF). Following a two-year stint as Assistant Athletics Director at Wake Forest, Currie returned to Knoxville in 2000 as Assistant Athletics Director for Development and served as director for the "STEP UP" campaign. As UT's first-ever capital campaign, it exceeded its goal and reached a total of $48.6 million, $4 million over the intended goal, with gifts from 870 donors. In 2002, Currie was promoted to Associate Athletics Director for Development.

He served as President of the Southeastern Conference development officers group for 2004-05, chaired the 2007 CASE national athletic development conference and was a member of the SEC ticket policy committee. The Knoxville News Sentinel recognized Currie in December 2008 by naming him to its prestigious "Top 40 Leaders Under 40" list.

He began his professional career at Wake Forest in 1993 as a Deacon Club intern before being named Assistant Deacon Club Director in 1994, a position he held until 1997.

Highlights of Currie's stints at Wake Forest include developing student and young alumni programs, creating a new endowment and planned giving program, managing the coaches circle volunteer program and assisting in the leadership of the "Touchdown 2000" football field house and Miller Center basketball practice/academic counseling facility campaigns.

Currie earned his master's in sports management from Tennessee in 2003 and is a 1993 Wake Forest graduate. He and his wife Mary Lawrence, have three children, Jack, Virginia and Mary-Dell.

CURRIE'S VISION FOR A MODEL INTERCOLLEGIATE ATHLETICS PROGRAM

- Provide a world-class student-athlete experience
- Value to our University, community and state
- Integrety and transparency in relation to matters of ethics, NCAA compliance and finance
- Championship-level athletic performances
- The best fan experience in the Big 12

ALL-AMERICAN CAMPAIGN

A 2009 CROSS COUNTRY SEASON RECAP

Women Show Strength in Conference

The Wildcat cross country women's team came into its 2009 season looking to build off of the momentum from a successful 2008 campaign, which garnered sixth-place finishes in both the Big 12 Championship and Midwest Regional Championship.

Before the 2009 season started, head coach Michael Smith set forth the goal of finishing in the top-half of the Big 12. The women did just that by matching their previous sixth-place finish at the Big 12 Championship and marking the first time since the 2001 season the K-State women finished in the top half of the Big 12 in back-to-back seasons.

The Wildcats opened their season with two first-place team finishes at the J.K. Gold Classic and the Missouri State Invitational. The women continued to race forward and stem off their early success with a second-place finish at the South Dakota State Invitational.

The Wildcats finished their 2009 season at the Midwest Regional Championship, where they finished ninth-place out of a very competitive pool of 33 Division I schools, including top teams such as Illinois, Minnesota, Iowa State and Iowa.

Ramos Caps Off All-American Career

Beverly Ramos capped off a highly successful cross country career with her first All-American performance at the NCAA Championships in Terre Haute, Ind., where she crossed the finish line 33rd out of 254 of the most talented Division I female runners.

After not participating in the first meet of the season at the J.K. Gold Classic, Ramos led the Wildcats in the remaining five races she competed in. She finished first-place overall in her first two outings and posted three straight sixth-place finishes at the Pre-NCAA Invitational, Big 12 Championship and Midwest Regional Championship.

With her All-American honor, Ramos finished a historical collegiate career full of recognition and accolades. Throughout her career, she tallied seven wins and four Big 12 Runner of the Week awards. Ramos earned All-Big 12 and All-Regional twice and became the first female runner to qualify for back-to-back NCAA Championship appearances since Amy Mortimer in 2002. Ramos also clocked the fastest 6K time in K-State history in 2008 finishing the Midwest Regional in 20:21.

Messick Makes her Mark

After an injury that plagued the early half of her 2008 season, junior Sydney Messick made her mark in 2009. Messick was a strong force for the Wildcats completing the season with six consecutive top 20 finishes, including three top fives.

Along with her quality and consistent performances, Messick was honored with several recognitions throughout the season. After her 17th-place finish at the Midwest Regional, she was named to the All-Regional Team. Finish 14th at the Big 12 Championship earned her All-Big 12 as well

Tresch Takes the Title

In her first ever collegiate event, freshman and Switzerland-native Martina Tresch captured the individual title in the women's 4K race at the J.K. Gold to open the season. Her win helped guide the women's team to an impressive first-place outing. For her effort Tresch earned Big 12 Runner of the Week honors as well.

Men Build for Future

Although seven newcomers joined the Kansas State men's cross country squad before the 2009 season, it did not prevent the Wildcats from creating the building blocks of a solid foundation for the program's future. Despite the tremendous youth that comprised much of the men's roster, it was talent that helped push the Wildcat men toward a season that proved a future of success.

The Wildcats opened their season strong with two team victories at the J.K. Gold Classic and the Missouri State Invitational. The victories marked the first time under head coach Michael Smith the Wildcat men had opened a season with two consecutive first-place finishes.

The men continued to race ahead and look toward the South Dakota State Invitational as an opportunity to gain experience where they finished fourth out of 12 teams.

After an individual race at the Pre-NCAA Invitational, the men traveled to the Big 12 Championship. Despite finishing 12th in a challenging league championship meet, the Wildcats ran competitively and showed signs of improvement. The men closed out their season at the Midwest Regional Championship with a 20th-place finish.

Del Valle Starts Season Strong

Sophomore transfer Armando Del Valle of Caguas, Puerto Rico, started his 2009 campaign and Wildcat debut strong with two consecutive finishes in the top three at the J.K. Gold Classic and Missouri State Invitational.

His efforts proved to be important for the Wildcat men as his top-finishes helped secure first-place team victories for Kansas State in both competitions. He received his first Big 12 Runner of the Week honor for his performance at the Classic.

2009 CROSS COUNTRY

Fantastic Freshman

Freshmen Kyle Hanson and Mitch Loring were vital assets to the men's team in 2009 as they both competed in all six events for the Wildcats, while consistently finishing in the top three among their teammates.

Both Hanson and Loring led their team in at least one meet during the season with Hanson leading all Wildcats at the South Dakota State Invitational with a 14th-place finish and Loring leading the way at the Midwest Regional Championships. Both freshmen ended the season with two top 10 finishes.

O'Connell Steals the Show

After sitting out the first three competitions of the season, head coach Michael Smith gave freshman Tom O'Connell the green light for his Wildcat debut at the Pre-NCAA Invitational.

In the Pre-NCAA meet, O'Connell stole the show and crossed the finish line ahead of all his K-State teammates. He finished 31st against a strong field of 111 other runners, and his success carried over to the Big 12 Championship where he led K-State with 74th-place finish.

2010 Kansas State Track & Field

2009 INDOOR RECAP

FLYING HIGH

A 2009 INDOOR RECAP

In 2009, the Kansas State track and field team showed it can be a competitor on the national level with the men finishing in the Top 16 for the second time in four years. Scott Sellers completed his indoor career with his fourth All-America honor and his first indoor NCAA title in the high jump. Moritz Cleve reaffirmed K-State's prowess in multi-events, and thrower Loren Groves won her third straight Big 12 title to highlight the women's season.

Sellers won his first indoor NCAA championship as he soared over the field leaping more than four inches higher than any competitor in the field. After struggling on the new surface at Texas A&M's Gilliam Center at the Big 12 Championship to finish second with a jump of 7-00.25, Sellers found his stride and jumped a season-high 7-04.50 en route to his title. Every year at the NCAA Championship, Sellers improved his standing just missing the podium as a freshman finishing ninth. His sophomore year, he moved up to third. Then as a junior he took second before claiming the title his senior year.

Cleve stormed onto the scene his freshman year and made improvements throughout his sophomore campaign to claim the Big 12 Championship in the heptathlon and move on to earning his first All-America honor. Cleve put on a show at the Big 12 Championship setting a then-facility record at the Gilliam Center and finishing just three points shy of the school record with 5,783 points. He finished first or second in three of the seven events to help project himself to the win. At the NCAA Championship, Cleve continued to show he will be a major player in the mulit-events in the coming years finishing fifth.

Sellers Shines

Scott Sellers opened his career at K-State as the first freshman in the Cliff Rovelto era to earn All-America honors in the high jump, and he used that as a springboard to bigger and better things as a Wildcat. From improving to win the Big 12 title his junior season to closing with his first indoor national championship, Sellers is one of the most decorated Wildcat in school history.

He opened his senior season with a jump of 7-02.25 while competing in the Carol Robinson Winter Pentathlon. From there he jumped over seven feet in all his competitions. At the Big 12 Championship, he entered as one of the favorites to win and finished second after struggling along with the rest of the field. He recovered and came back to the same facility two weeks later to jump more

Kansas State tallied a pair of All-Americans in 2009 and claimed three titles at the Big 12 Championship

than four inches higher and fly high over the competition. To win his first indoor NCAA title, Sellers jumped 7-04.50 with his nearest competitor jumping 7-00.25.

Triple Crown

Loren Groves closed her career indoors as a back-to-back-to-back Big 12 champion in the weight throw. It marks the second time the conference's history a female student-athlete has won three straight weight throw titles. It just so happens the other is a former Wildcat as well. She won every meet she competed in leading up to the NCAA Championship where she finished 13th.

Groves was not alone in seeing success at the Big 12 Championship in the weight throw. She was joined by freshman Ali Pistora on the podium as Pistora finished eighth. Pistora and Groves made the only same school combination to score in the women's event.

The men also had a two Wildcats score points at the Big 12 meet with Nate Brummet finishing fourth and Cole Zenisek taking eighth.

Combined Efforts

Cleve was not alone in making an impact in the heptathlon for the Wildcats. Freshman Mantas Silkauskas emerged as a player in the combined events after blazing past the field in the first event of the heptathlon at the Big 12 Championship.

Silkauskas ran the 60 meters in 6.85 seconds – nearly a quarter of a second faster than second place. From there Silkauskas would continue to wow the crowd breaking eight seconds in the 60 meter hurdles as well. Silkauskas finished seventh overall in the heptathlon posting an NCAA provisional mark of 5,444 points.

Cleve stole the show in the heptathlon even with Silkauskas' impressive performance as a freshman. Not only did Cleve win the heptahlon at the Big 12 Championship, he nearly broke the school record. He set personal records in three of the seven disciplines and his final score of 5,783 was a personal best as well. He soared to nearly 16 feet in the pole vault to sail high above his previous best in the event.

Junior Stephanie Hejde also scored for the women's team claiming seventh place in the pentathlon at the Big 12 Championship.

Sweet Medley

Kansas State had a distance medley relay team represent the Wildcats at the NCAA Championship and narrowly miss making the podium as the team entered with a steam of momentum into the championship meet.

The week before the NCAA Championship, the group of Beverly Ramos, TiAra Walpool, Boglarka Bozzay and Liliani Mendez went to the Alex Wilson Invitational at Notre Dame with the goal of qualifying for the NCAA Championship. They did more than just qualify.

The tandem posted an automatic qualifying time of 11:07.41. The time shattered the school record of 11:12.45, but is not countable toward the record time because of the oversized track at Notre Dame. K-State's distance medley team would go on to finish 11th at the NCAA Championship.

Walpool also had a successful showing individually at the Big 12 Championship competing in her mail discipline finishing third in the triple jump with a personal best mark of 42-07.00.

Running Wildcats

K-State did not just see shining performances from the field events at the Big 12 Championship. On the track, the Wildcats posted fast times to earn points toward the team standings with much of that success coming in the mid-distance and distance events.

Boglarka Bozzay and Jason Collett opened the scoring for the Wildcats on the track with Bozzay running to a third-place finish in the women's 800 meters. Collett went on to finish fourth in the men's race posting a personal best time of 1:50.43.

Liliani Mendez finished her final Big 12 Championship meet with a third-place finish in the mile. She ran in a personal best time of 4:42.02 which also was an NCAA provisional mark. Continuing the women's success in the distance events, Beverly Ramos finished third in the 3,000 meters in 9:23.82 for another provisional mark. Ramos also posted a provisional mark and third-place finish in the 5,000 meters to earn a total of 12 points toward the women's effort.

In the sprints, Mike Myer had an impressive senior season finishing seventh in both the 60 meters and 200. Myer stumbled out of the blocks in the 60 meters final at the Big 12 Championship but was able to overcome the slow start to close fast and finish seventh. He then took that momentum into the 200 meter final where he ran 21.43 seconds for his second fastest time of the season only to his time in the preliminary heat.

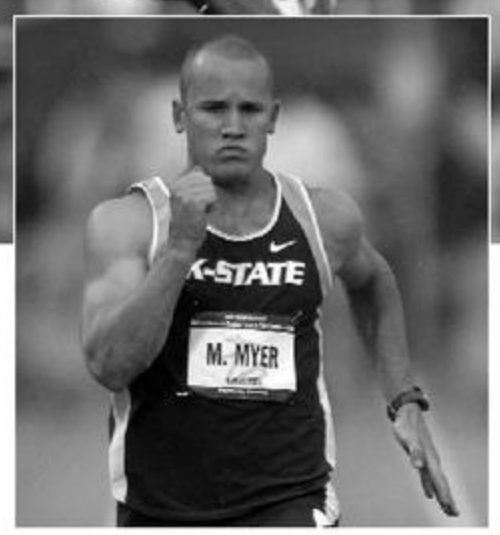
2009 OUTDOOR RECAP



NATIONAL FORCE AGAIN

A 2009 OUTDOOR RECAP

The Kansas State Wildcats had one of their best seasons in a decade in 2009 with the men's team finishing 13th at the NCAA Championship. The K-State men scored a total of 16 points at the championship meet and tallied three All-Americans. The women had one All-American on their end and made their presence felt with four competitors.

Scott Sellers closed his career with his second outdoor national title and his fourth outdoor All-America certificate in the high jump. He leaves the Wildcat program as one of the most decorated student-athletes in school history with an indoor and outdoor combined resume of three NCAA titles and eight All-America honors.

Moritz Cleve finished third in a decathlon field that was deemed by many to be the deepest in NCAA Championship history. Three of the competitors in the field went on to compete at the IAAF World Championships in Berlin.

Head Coach Cliff Rovelto said after the NCAA Championship meet he believed it was an indication of what the Wildcats can be in the track and field world and their goal is to continuously place among the top 20 teams. He added he was proud of all the Wildcats who reached the NCAA Championship meet and hopes the success of the program in 2009 is recognized.

With six of the 10 Wildcats competing at the NCAA Championship returning in 2010, the foundation for the Wildcats to improve upon their standing at the national level is there.

At the Big 12 Championship, Cleve set a meet record shattering the previous mark and becoming the first athlete to break the coveted 8,000-point mark in Big 12 Championship history. His performance combined with a number of other impressive marks helped the men's team finish sixth scoring 71 points, their highest since 2005 when they scored the same number of points.

The women's team finished ninth at the Big 12 Championship with them again showing their dominance in the throws. K-State saw senior Loren Groves close her career with a second-place finish in the hammer throw and third in the discus. A pair of Wildcats also made the podium in the javelin with Ali Pistora finishing third and Ashley Reider coming in eighth.

Another pair of female Wildcats had strong years in Beverly Ramos and TiAra Walpool. Ramos shined finishing third at the Big 12 meet in the 5,000 meters and eighth in the 10,000. She went on to run at the NCAA meet in the 10,000 finishing 18th. Walpool qualified for the NCAA Championship in the triple jump where she finished 25th.

Sellers Sweeps NCAA's

Scott Sellers added to his trophy case with his second outdoor NCAA title in the high jump and third overall. After flying high over the field at the indoor championship his senior season, he went on to jump 7-05.00 to win the outdoor title.

He closed his career as the first athlete in the program's

Kansas State's men posted their best finish at the NCAA Championship in a decade and Scott Sellers tallied his second outdoor high jump title.

2009 OUTDOOR RECAP

history to earn eight All-America certificates in the same event. He also holds the school records in both indoor and outdoor high jump. Sellers went into his senior season with a new outlook to not sweat losses at smaller meets and come to play when the stage is biggest. He did that his final season in Purple with two national championships.

"It means a lot to get the sweep. It's been a really up and down year," Sellers said after winning the outdoor title. "Coach's philosophy, which is mine now, too, is it doesn't matter losing the small meets if you can come up big in the big ones. I'm happy with the performance."

Gaining Mo-Mentum

Moritz Cleve, or Mo to his coaches and teammates, showed he could compete in the Big 12 as a freshman. However, as a sophomore he stormed onto the national scene after setting Big 12 records and finishing third at the NCAA Championship in the decathlon.

At the Big 12 Championship, Cleve became to first athlete to score 8,000 points at the meet. His total of 8,004 points was exactly 200 points better than the previous meet record. In breaking the 8,000-point plateau, Cleve set personal records in eight of the 10 events at the meet. His final score also was a personal record and ranks second in school history.

"I'm amazed at the whole decathlon," Cleve said. "The whole field was strong and I just rolled. Overall I did eight PR's and an overall decathlon score PR. I don't know what to say. It's all just paid off."

The field at the Big 12 Championship was also arguably the best in its history. Four athletes from the Big 12 went on to score at the NCAA Championship. The top five finishers at the Big 12 all posted NCAA automatic qualifying marks.

K-State is Multi-U

Penn State calls itself Linebacker U for its long history of producing some of the best linebackers in all of collegiate football. Baylor deems itself Quarter-Miler U for its dominance in the 400 meters.

Kansas State made an argument in 2009 to claim the title of Multi-U.

Never in NCAA history has a school had three athletes post automatic qualifying marks in the decathlon at the same meet. And that is exactly what K-State did at the Big 12 Championship.

If Moritz Cleve's record-setting 8,004 points were not enough to raise eyebrows, Mantas Silkauskas and Rok Derzanic joined him with monster numbers at the meet to make them the first trio in history to accomplish the feat.

Silkauskas finished second behind Cleve at the Big 12 Championship with 7,706 points. Derzanic came in fifth at 7,535 points. All three are back in 2010 and could make an even bigger impact with additional Wildcats joining the ranks among the mutli program.

All-American Woman

Loren Groves was already one of the most successful

throwers in K-State history entering her senior season, and she added to that status not only in the ring but out of it as well.

Groves earned her second All-America certificate after finishing seventh at the NCAA Championship in the hammer throw. She also qualified for the NCAA Championship in the discus after another strong showing at the Midwest Regional. She closed her final Big 12 Championship finishing second in the hammer and third in the discus.

It was a combination of her athletic achievements and personal successes and contributions away from athletics, however, that made her a finalist for the 2009 NCAA Woman of the Year.

The NCAA Woman of the Year Award honors senior women student-athletes who have excelled in the areas of academic achievement, athletics, service and leadership. Groves' contribution to the community of Manhattan was felt in many ways from Cats for Cans to Special Olympics among many other community services she participated in throughout her career. Groves was one of 30 finalists chosen for the award.

Movin' Mike Myer

Kansas State saw senior sprinter Mike Myer turn heads in his senior campaign running past most of the field at the Big 12 Championship, setting a school record and qualifying for the NCAA Championship in two events.

Myer won his preliminary heat in the 100 meters at the Big 12 Championship to automatically move onto the final with a time of 10.35 seconds. He went on to run 10.69 into a strong headwind to finish third and score six points toward the men's effort. In the 200, Myer also shined finishing fourth to bring his point total for the championship to 11.

At the Midwest Regional, Myer continued to run fast times finishing high enough to advance to the NCAA Championship in both the 100 and 200. Myer ran the third-fastest time in the 100 preliminaries at 10.33 seconds and finished fourth in the final to move on to the NCAA's. His 10.33 ranks second in school history.

In the 200, Myer ran 20.76 seconds to take the last qualifying spot in the final where he went on to finish sixth in 20.91. His preliminary heat time of 20.76 tied the school record.

He went on to again make his presence known that the NCAA Championship as he advanced past the preliminaries in the semifinals of the 100 meters with his time of 10.33. He ran 10.56 in the semis and was not able to move into the final heat for the Wildcats. Myer ran 21.32 in the preliminaries of the 200 meters, which was not fast enough in his heat to advance him to the semifinals.

Going the Distance

Senior Jason Collett also closed his career strong at K-State as he qualified for his first NCAA Championship as well and earned All-America status in the 800 meters.

Collett wowed the crowd at the Big 12 Championship running the fastest time in the preliminary heats by more than a second. He went on to finish second behind former Wildcat Tevan Everett of Texas. He went on to run another fast time in preliminaries at the Midwest Regional and advanced to nationals finishing seventh in the final. At the NCAA Championship he just missed the podium finishing ninth.

It was not a one-man show for K-State in the 800 last season either with transfer Jack Sachse running right with him up to regionals. Sachse finished sixth at the Big 12 Championship and came in 13th at the Midwest Regional.

Throwing Away the Competition

Kansas State saw three throwers advance to the NCAA Championship and showed quality and depth in the javelin during the Big 12 Championship. Ali Pistora and Eric Thomas joined Loren Groves at the NCAA meet in June and each performed well.

Pistora finished 17th out of 26 competitors in the javelin gaining valuable experience as just a sophomore at the national meet. Thomas also could not get through the preliminaries in the discus finishing 25th.

At the Big 12 Championship, the Wildcats ruled the men's javelin. A total of five Wildcats scored points in the javelin with a trio of men standing on the podium in third, fourth and sixth scoring 14 points.

WHAT EVERY ALUMNI AND BOOSTER OF KANSAS STATE UNIVERSITY SHOULD KNOW ABOUT THE NCAA

As a supporter of Kansas State University, you have a lot of pride in your school. You are proud of the high academic standards, our adherence to values and the overall quality of the K-State experience.

Kansas State has a long tradition of integrity but to help assure compliance with NCAA and conference rules, please take a few minutes to read this information. The eligibility of Kansas State's student-athletes and reputation of the department and university depend greatly upon your cooperation.

Under NCAA regulations, Kansas State is held responsible for the actions of our boosters. "Representatives of Athletic Interests" may not engage in any recruitment activities or provide benefits or privileges to prospective and enrolled student-athletes.

A representative is any individual who has purchased tickets, contributed to the Kansas State Athletics Department, donated to Catbacker or Alumni groups, or who has otherwise promoted K-State's athletics program.

Key Rule: NCAA BYLAW 13.01.5

In Division I, representatives of athletics interest are prohibited from making in-person, on-or-off campus recruiting contacts, written, telephonic communications or e-mail transactions with a prospect or the prospect's relatives or legal guardians.

Interpretations

1. A representative of a Division I institution is prohibited from making in-person recruiting contact with a prospect and his or her parents/guardian on or off campus.

Limited Exception: You may have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect has already signed a National Letter of Intent and K-State is aware that you are making these contacts in regard to employment.

2. A Division I representative is prohibited from writing or telephoning a prospect and his or her parents or legal guardians.

Limited Exception: You may have a phone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by a K-State staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about the University's athletic program to the athletic department.

3. A representative is prohibited from contacting a prospect's coach, principal, or counselor in an attempt to evaluate the prospect.

Limited Exception: NCAA rules do not preclude you from viewing a prospect's contest on your own initiative, but you may not contact the prospect, pick up game films or transcripts.

What can I do?

If you know of a high school or junior college student-athlete who might want to attend Kansas State, the only permissible activity for a representative is to call the appropriate K-State coach.

What is an "Extra Benefit?"

An extra benefit is any special arrangement by an institutional employee or a representative of the institution's athletics interests to provide a student-athlete or the student-athlete's relative or friend a benefit not expressly authorized by NCAA legislation.

Examples or Extra Benefits:
- Providing transportation
- Clothes
- Entertainment
- Preferential loan terms
- Wagnes not commensurate with duties

What can I do for current student-athletes or prospects?

You may provide an occasional meal for student-athletes in your home. Please contact the athletics compliance office for more information.

You may invite a team to dinner or to meet a group of alumni in a city where they are competing. The NCAA allows student-athletes as a team to receive special benefits not alowed as individuals. Arrangements for such events should be made in advance with the head coach.

You may provide employment for a student-athlete. Wages must be commensurate with the going rate for similar services and only for work actually performed.

You may attend high school, community college and public events in which prospects are participating however no attempt should be made to contact or recruit prospects at these events.

You may continue established family relationships with prospects or student-athletes, their parents and relatives. Contact is permitted as long as it is not made for recruiting purposes.

What is not permitted under NCAA rules?

Provide gifts, free or reduced cost services including meals, drinks, clothing laundry, haircuts, legal fee or other benefits to prospects, student-athletes, their relatives or friends.

Provide tickets to any event for a student-athlete or his/her relatives or friends.

Contact prospective student-athletes for recruiting purposes. This includes emails, phone calls, letters, face-to-face contact and personal websites (i.e. Facebook.com, MySpace.com, etc.)

Provide cash, entertainment, use of your home or other items of value.

Provide the use of an automobile.

Provide rent-free or reduced cost housing for any length of time.

Arrange or co-sign a loan for a student-athlete or his/her relatives.

Provide employment for relatives/friends as a result of their relationship to student-athletes.

Questions?

Please contact David Flores (assistant athletics director), Kristin Waller (assistant director), Andrew Hamor (assistant director) or Vera White (administrative assistant) in the athletics compliance office at (785) 532-3990.
